

Dear Sir/Mam,

Subject : Interior Design Proposal Letter

It is with a great pleasure that we are sending this proposal letter to you. Regarding the interior designing of your home, we strongly believe that your designing needs perfectly matches to our talents.

Please be informed that we will be providing the best of our interior designing services to your entire house. The exteriors of your home, including the lawn and the swimming pool will not be included. Also, the proposal further states that the color schemes, floor designing, wall coverings, ceiling, lighting and window treatments, and other designing concepts would be firstly drafted in a raw form so as to study your designing preferences. We assure you of our finest pieces of works, interior installations, movable furniture and likewise accessories.

We aim to provide the best services, perfectly matching to your budgets and the needs. We request you to revert back at your earliest convenience.

Thanking you for your kind consideration.

Sincerely,

Syed Mustafa

General Manager

We combine valuable knowledge of the industry with a determination to be at the cutting edge of design and technology. We are focused on solutions that improve your business performance and create an efficient working environment for your staff.

Our Key to Success :

The primary keys to success for N.N. Furnitures & Interior Decorators will be based on the following factors :

- Provide the highest quality Interior design consulting experience possible.
- Sell specially selected products to these clients to further meet their Interior design needs.
- Communicate with our client base through the website and personalized communication techniques.
- Retain clients to generate repeat purchases and initiate referrals.

Executive Summary :

N. N. Furnitures & Interior Decorators is a proposed venture that will offer comprehensive interior design services for homes and offices in the Bangalore & Surrounding areas. N. N. Furnitures & Interior Decorators also will provide access to products to complement the design consulting services including furniture, both new and antique, decorator fabric, and home and office accessories. This venture offers the personalized services the target market desires and can afford in a way that is unique from concept to implementation.

The approach to promote N.N. Furnitures & Interior Decorators will be through establishing relationships with key people in the community and then through referral activities once a significant client base is established. N. N. Furnitures & Interior Decorators will focus on developing solid and loyal client relationships offering design solutions based on the client's taste, budget, use, and goals for the space. The additional selection, accessibility of product, design services, and value-based pricing will differentiate Barton Interiors from the other options in the area.

You can try to make your best choice to opt. for N.N.Interior & Decorators which is the part of N.N.Groups in Bangalore, that would make it possible to get the perfect services satisfying your requirement in the right way. We understand the customer requirements in better way than others, so less cost and more perfection. Being cost effective, it goes a long way in saving your pocket as well. With the best team of creative designers and support staff, it makes it possible to make you feel yourself glad for the right choice that you have been able to make for yourself.
